POWER X-CHANGE

Batería

PXC+ 18V 3,0Ah SEALED

Número de artículo.: 4511618

Número de identificación: 21054

Código EAN: 4006825672794

The Einhell 18 V 3.0 Ah SEALED Power X-Change PLUS is part of the versatile Power X-Change battery system from Einhell. The SEALED battery is waterproof and dustproof to IP57. The integrated short-circuit protection detects contact with water and switches off the electronics. The battery can be used again once it has dried. With state-of-the-art lithium-ion cells, it offers 100% more power, a 13% more compact design and a 10% lower weight. The battery does not suffer from the memory effect or self-discharge. The ABS battery management system monitors parameters and ensures safety. The housing resists corrosion and impacts. A recessed handle makes it easier to remove from tools. Charger not included.

Características & Beneficios

- Universally compatible with all Power X-Change devices
- SEALED: Protected against dust & water jets according to protection class IP57
- Short-circuit protection in case of complete immersion
- Current remaining charge displayed by 3-level LED indicator
- LED indicator function check
- PLUS technology: Full power with a more compact design
- Battery management system (ABS) for optimal battery monitoring
- Best performance, safety, durability and service life thanks to ABS
- No memory effect thanks to high-quality Li-ion cells
- low self-discharge and high, constant power
- High impact protection and good grip thanks to rubberised housing
- Recessed handle for easy removal of battery from tool
- Suitable for TWIN-PACK use in 36 V applications

Datos técnicos

- Voltaje	18 V
- Capacidad de la batería	3 Ah
- Max. Potencia	900 W
- Cantidad de baterías	1 pcs

Datos logísticos

- Peso del producto	0.58 kg
- Peso bruto	0.62 kg
- Dimensiones del embalaje individual	90 mm x 62 mm x 172 mm
- Unidades por caja de exportación	18 pcs
- Peso bruto de la caja de exportación	11.45 kg
- Dimensiones de la caja de exportación	300 mm x 287 mm x 225 mm
- Cantidades por contenedor	25074 pcs - -

(20"/40"/40"HC)
