IMPORTANTE

Prima del montaggio leggere attentamente le istruzioni. Assicurarsi che l'imballo sia integro e che contenga tutti i componenti necessari al montaggio e che gli stessi non presentino difetti.

SICUREZZA

I limiti di carico indicati nelle istruzioni di montaggio si riferiscono ad un carico massimo uniformemente distribuito sulla struttura montata rispettando le indicazioni delle Istruzioni di Montaggio. Caricare il mobile solo in modo manuale, non usare mezzi meccanici. Non caricare la struttura oltre i limiti indicati, il prodotto o parti di esso possono subire deformazioni e rotture.

MANUTENZIONE

Pulire periodicamente con un panno umido e saponi o detersivi liquidi neutri. Evitare l'uso di alcool o di detersivi contenenti sostanze solventi o in generale corrosive. Evitare l'uso di abrasivi. Controllare periodicamente che la struttura non abbia subito deformazioni o danni. Sostituire immediatamente le parti danneggiate o deformate.

INFORMAZIONI TECNICHE E LEGALI

Evitare di posizionare il prodotto in prossimità di fonti di calore. Evitare di posizionare oggetti caldi a contatto con il prodotto.

La portata massima del prodotto è garantita per l'uso in ambienti con condizioni normali di temperatura (-5°C e +40°C)

Le parti in resina esposte alla luce solare possono nel tempo subire variazioni nella tonalità dei colori e nella resistenza.

Il prodotto non è adatto alla conservazione di materiali solventi o corrosivi. Non adatto alla conservazione di alimenti. Evitare usi impropri e non consoni al prodotto. Non salire in piedi sul prodotto. Il costruttore declina ogni responsabilità per danni causati a cose o persone da un uso non corretto del prodotto o causati da un prodotto montato non rispettando le istruzioni di montaggio e le avvertenze d'uso.

CONDIZIONI DI VALIDITÀ DELLA GARANZIA

La Garanzia è valida solo se comprovata dal documento di acquisto originale.

Il prodotto è garantito sul territorio dell'Unione Europea per 2 anni (compresa la garanzia biennale prevista dalla direttiva 99/44/CE, recepita in Italia con il decreto legislativo del 2 febbraio 2002, n.24) dalla data di acquisto in condizioni normali d'uso.

La garanzia decade automaticamente nei seguenti casi:

- danni causati dall'utilizzo di prodotti non idonei per la pulizia
- la sostituzione completa del prodotto
- se il servizio di funzionamento è conseguente ad un intervento sul prodotto non autorizzato
- se il funzionamento difettoso è conseguente alla normale usura del prodotto, alla negligenza o incuranza da parte dell'acquirente
- se il funzionamento difettoso è conseguente a forze maggiori
- manomissione del prodotto da parte dell'acquirente
- se il montaggio non è stato eseguito secondo istruzioni

EN

IMPORTANT

Before the assembly, read carefully the instructions. Make sure that the packing is safe and it contains all the components necessary for the assemblage and at the same they have no defects.

SAFETY

The load limits stated in the assembly instructions refer to a maximum load distributed evenly on the structure assembled following the Assembly Instructions. Load the cabinet only manually, do not use mechanical equipment. Do not load the structure above the stated limits, the product or parts of it may warp or break.

MAINTENANCE

Clean regularly with a damp cloth and neutral soap or detergent. Do not use alcohol or detergents containing solvents or corrosive substances in general. Do not use abrasives. Check the structure regularly for warps or damage. Replace any damaged or warped parts immediately.

TECHNICAL AND LEGAL INFORMATION

Do not position the product near sources of heat. Do not place hot objects where they touch the product.

The maximum capacity if the product is guaranteed for use where ambient temperatures are normal (-5°C to +40°C)

Exposure to sunlight may cause the epoxy resin parts to change colour lose some strength. The product is not suitable for keeping solvents or corrosive materials. It is not suitable for storing foodstuffs. Avoid improper or inappropriate use. Do not stand on the product. The manufacturer declines all liability for personal injury or damage to property caused by improper use of the product or if it is assembled without following the assembly instructions and recommendations for use.

GUARANTY VALIDITY CONDITIONS

The guaranty is valid only if confirmed by the original sales document.

The product is guaranteed throughout the territory of the European Union for 2 years (including the two-year guarantee required by directive 99/44/CE, implemented in Italy by legislative decree n.24 of 2 February as of the purchase date and in normal conditions of use.

The guarantee is void in the following cases:

- damage caused by product not suitable for cleaning
- complete replacement of the product
- if the service operation is a result of intervention on the unauthorized product
- if the defect is a result of normal wear and tear, negligence or negligence by the buyer
- if the defect is a result of force major
- tampering of product by the buyer
- if the installation was not performed according to instructions
