**LEGO STAR WARS**  
 The Millennium Falcon™ UCS is a highly detailed and fully functional model of the iconic starship. It features a complex internal structure with multiple levels, including a main deck, a lower deck, and a hangar. The model is built using a combination of grey, white, and tan Technic bricks, with intricate detailing on the engines, sensors, and other components. The UCS version is significantly larger than the previous UCS version, offering a more immersive and detailed experience for collectors and fans alike. The model is compatible with the UCS building system, allowing for easy assembly and display. The Millennium Falcon UCS is a must-have for any Star Wars collector and a true masterpiece of LEGO design.
